Driving the Future of Logistics

For more than 125 years, we've been shaping smarter logistics that drive businesses forward. As a dedicated partner in warehousing, transport, and value-added services, we deliver more than efficiency: we deliver confidence. Our tailored solutions bring stability, agility, and cost effectiveness to every step of the supply chain, seamlessly integrating with our clients' operations. By combining tradition in the innovation, we help businesses achieve long-term success in market such as Germany.

Our Services

Your Trusted Partner in Comprehensive Supply Chain Solutions

As a strong and reputable group among German family-owned companies, we deliver full-service supply chain solutions through our proprietary network. With 7,000 skilled professionals across 110 sites and a fleet of 1,000 trucks, we actively support our clients' logistics needs. Recognized in the "Top 100 der Logistik" study, we proudly rank 35th out of 60,000 logistics providers in Germany. As an owner-operated group, we are committed to being the reliable backbone behind our customers' logistics operations.

Warehouse Logistics

More than storage — our warehouse logistics stand for efficiency and innovation in every detail. From tailored consultation to fine-tuning your supply chain, we operate modern logistics centers that ensure reliability, flexibility, and long-term value.

Discover More

Transport Logistics

From regional to national, full or part loads, refrigerated or not — we deliver seamless transport solutions you can trust. Top 3 in retail supply, with proven expertise in automotive and chemical logistics, we ensure your goods arrive safely and on time.

Discover More

Competence

With nearly 125 years of experience, we go beyond logistics. Since the 1970s, we've designed and operated logistics centers—bringing the right people, at the right time, to the right place, blending tradition with innovation.

Discover More

Our Industries

Consumer Goods
Safe, efficient logistics for B2B and B2C: from consumer goods, textiles to cosmetics, furniture, and more. Your goods arrive safely and trusted hands.
Find More
